**Zambezi Sun Hotel, Livingstone, Zambia 12-13 June 2014**

***Symposium proceedings***

Rudd C, Mwenda J, Chilengi R. Rotavirus landscape in Africa - Towards prevention and control: A report of the 8th African rotavirus symposium, Livingstone, Zambia. *Vaccine* 2015 June; 33(29): 3263-67.

- Roger Glass. Keynote Address – Rotavirus disease and developments towards rotavirus vaccines
- Jason Mwenda. Rotavirus in Africa: Burden and Epidemiology, Building the Evidence Base
- Miligratos Tapia. The GEMS Data from Mali: Evidence for the Introduction of a Rotavirus Vaccine
- Inacio Mandomando. The GEMS Data from Moçambique: Rotavirus Disease in a High HIV Infected Population
- Sammy Khagayi. High Burden of Rotavirus Gastroenteritis in Young Children in Rural Western Kenya: Evidence from a Health and Demographic Surveillance System
- Mapaseka Seheri. Rotavirus Strain Diversity in the African Region Pre introduction of Rotavirus Vaccine
- Jelle Mattihjinssens. Classification of Rotavirus Strains
- Mathew Esona. Unusual Strains in Central and West Africa
- Claudia Istrate. Burden of Disease and Strain Diversity in Sao Tome and Angola
- Vidula Nalini Pursem. Unique Year to-Year Circulation of Rotavirus Strains Circulating in Mauritius and Emergence of Unusual Genotypes G3[P3] and G8[P14]
- Bernd Benninghoff. Incidence of Rotavirus Gastroenteritis by Age in African and European Infants and the Impact of a Human Rotavirus Vaccine
- Thierry Allavoine. Update on RotaTeq™ Vaccine and Post Marketing Studies
- Sai Prasad. RotaVAC™: A Newly Licensed Vaccine in India
- Duncan Steele. Alternative Rotavirus Vaccines in Development
- Michelle Groome. Role of Breastfeeding in Immune Responses to Rota Vaccines
- George Armah. 2 vs 3 dose Schedule of Rotarix in Ghana
- Umesh Parashar. Rotavirus Vaccine Introduction Globally
- Samba Sow. Rotavirus Vaccine Introduction in Mali
- Nigel Cunliffe. Rotavirus Vaccine Introduction in Malawi
- Penelope Kalesha. Lessons Learnt from Rotavirus Vaccine in Zambia
- George Armah. 2 years Post Rotarix Vaccine Introduction in Ghana
- Fidel Ngabo. Impact of Pentavalent Rotavirus Vaccine on Diarrhoeal Disease in Rwanda during the First Year Post Vaccine Introduction
- David M Goldfarb. Effectiveness of Monovalent Rotavirus Vaccine Against Severe Disease in Botswana
- Jacqueline Tate. Intussusception and Rotavirus Vaccines

- Evans Mpabalwani. Intussusception Surveillance in Zambia
- Daniel Ansong. Intussusception Surveillance in Ghana
- Deborah Atherly. Cost Effectiveness Analysis of Rotavirus Vaccines in Africa
- Fiammetta Bozzanni. Incremental Costs of Introducing Three New Vaccines into the Zambian Routine Immunisation Schedule: Pneumococcal, Rotavirus and Measles Second Dose
- Carine Doche. Capacity Building Activities in Support of New Vaccine Introduction
